2. What else can your pet dog do?
3. What does your brother do after dinner?
4. The man is about 220 centimeters tall.
5. What subject do you like? Do you like math?

Part C. 根據聽到的短文與問題，選出正確的答案

（短文和題目各唸二次每題中間請停頓 5 秒）

Hi, my name is Brown. I have two good friends. One is Cony and the other is James. Cony has big eyes. She likes music. She can play the guitar. She joins a band and practices the guitar for an hour every Monday and Friday. Cony doesn't like math. She is not good at counting. James has long hair and a handsome face. He likes sports and he gets good grades on math. He plays tennis on Monday, Wednesday, and Friday and roller-skates on Tuesday and Thursday. He helps Cony and me with math after school. We like to bake cookies or roast turkey on weekends. We always have fun together.

Question:

1. Who has long hair?
2. What does James do on Tuesdays?
3. Does Cony practice the guitar for two hours on Mondays?
4. When does James help Brown and Cony with math?
5. What do they do on weekends?
