Dear Principal,

I think the students at our school should wear uniforms. Many schools already have them. Uniforms will help our families save money because we can "purchase" only one or two uniforms for the whole year. Uniforms could also give us more pride in our school. And best of all, when we all wear uniforms, students won't laugh at each other about their clothes.

I know some kids think uniforms are ugly and uncomfortable, but maybe we can pick a uniform everyone likes. I think this is a good idea for our school.

Sincerely,  
Lisa Jones
