Simon Jackson and the Spirit Bears

Simon Jackson was seven years old when he saw a bear. A few years later, Simon read about the white spirit bears of Canada. Spirit bears look just like black bears except that they have white coats. There are many black bears in Canada, but only about 10% of them are white. The bears with white coats are special. There are many scientists who study these bears. They don't understand why they are white. Simon and the scientists want to help these bears.

The white spirit bears are big beautiful bears that can only be found in Canada. For some people, their greatest wish is to see one of these bears. However, because there are very few of them in the forests, not many people have had the chance to see one. In fact, there are not many spirit bears now, and they are becoming fewer and fewer. Many of these bears are losing their homes because the forests are getting smaller and smaller. People are worried that if we don't protect these bears, all of them may be dead soon.
